The following amendment shall be introduced to the Graduation policy and procedures for undergraduate and graduate programs of Nazarbayev University, approved by the Decision of the Managing Council dated May 24, 2016 № 24.05.16 (hereinafter – Policy).

1. The new Clause 6-1 of the Policy shall be added as follows:

“6-1. Students are expected to study for the entire length of their program. If a student has completed all program requirements for degree conferral such as sufficient amount of credits, minimum CGPA and Semester GPA within a period shorter than the normal duration of the program, the student should consult his/her advisor, Vice Dean and Dean of his/her School to use the additional semester(s) of study to increase his/her knowledge and support his/her future career plans. The exception can be given to student(s) with credits transferred from other institutions. Such cases shall be considered by Vice Dean and Dean on a case by case basis.”.
